

Kutrimmer 1058 22 1/2" Table Top Cutter

- Features**
- Hand clamps provide variable pressure
 - Extendible front guides feature measured drums with adjustment scales that are lockable in every position
 - Front guide permits cutting strips as narrow as one millimeter
 - Additional paper supports allow precision cutting of even the thinnest paper
 - Rotary knob with scale for easy and accurate adjustment of front gauge
 - Automatic blade guard covers blade completely in every position
 - Variable position back-gauge and exact scales provide fast and precise adjustment
 - Hairline edge trimming device on front gauge

This table-top Kutrimmer model performs a wide assortment of paper trimming tasks, from the routine to the most demanding. The 1058 handles up to 40 sheets of paper at once, with a 22 1/2" cutting length.

Features

- Special wide angle, steel blade handles cardboard, mat board, plastic, linoleum, leather, metal foils and even rubber with ease
- Convenient foot clamps for slip-proof clamping
- Side guides and paper format guides for precision cutting
- Two side guides with cm/inch scale
- Lockable back gauge
- Fold down extension table provides support for large cutting jobs
- Blade lock for increased safety

The Kutrimmer 1110 43 3/4" Paper Cutter is perfect for workshops, studios and other commercial applications. This Kutrimmer paper trimmer incorporate all of the features found in their smaller models and quite a few more. It easily accommodates up to 20 sheets of paper at once. Its larger size and solid metal construction handles your toughest jobs.

Kutrimmer 1110 43 3/4" Professional Floor Paper Cutter

Large Format Guillotines Premium

Features

- Cut length: 32" & 43"
- Sheet capacity: up to 30 sheets
- Blade type: Lever style
- Acrylic safety shield protects hands
- Self sharpening cutting blade
- Spring system prevents blade from falling
- Automatic clamp holds work securely
- Includes stand for optimal cutting height

These commercial grade cutters are designed to cut large amounts of paper with your safety in mind. They offer an acrylic fan guard to prevent injury by keeping hands from being in the wrong place. The blade can also be locked to prevent unsupervised use by others. The manual foot clamp holds material securely across the entire cutting surface. An optional laser guide ensures that each cut is as accurate as possible.

Premium Guillotines

Features

- Cut lengths: 14 1/2", 15 1/2", 21 1/2" and 27 1/2"
- Sheet capacity: Up to 35 sheets at a time as well as mat board
- Blade type: Lever style
- Safety guard covers the blade throughout the entire cutting process
- Spring system prevents the blade from flying up or falling down unexpectedly
- Ground self sharpening blade
- Automatic clamp holds work securely
- Adjustable guide for repetitive cuts
- Sturdy metal base with preprinted guides

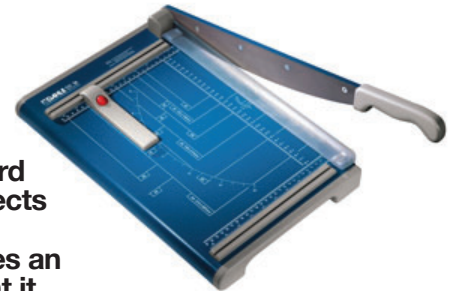

The Premium Guillotines feature a safety guard that rotates around the cutting blade to ensure complete protection. The safest, most capable trimmers ever developed, these are commercial grade, high capacity paper cutters. The Premium Guillotines are the preferred choice among picture framers, printshops and copy centers.

Features

- Cut lengths: 12" - 24"
- Sheet capacity: Up to 15 sheets
- Blade type: Lever style
- Ground self sharpening blade
- Automatic clamp holds work securely
- Adjustable guide for repetitive cuts (212/218)
- Sturdy metal base with preprinted guides
- Non-skid rubber feet prevents slipping

Safety is a top priority with the Professional Guillotines. A protective guard was added that also doubles as a paper clamp. This guard not only protects your fingers from being in the wrong place, but when it's depressed, will securely hold your work in place. The blade on this guillotine also features an innovative spring system that will hold the blade at any angle and prevent it from flying up or falling down accidentally.

Professional Guillotines

Vantage® Trimmers

Features

- Cut lengths: 12", 15", 18"
- Sheet capacity: Up to 15 sheets
- Blade type: Lever style
- Spring action blade will not fall down
- Blade will secure in the down position
- Automatic clamp holds work securely
- Sturdy metal base with preprinted guides

This traditional style paper cutter has many unique features that offer safety and convenience while giving you the accuracy you require. The Vantage® Trimmer has a spring action blade that remains in the up position while in use, and can be locked in the down position when the project is complete. An automatic clamp securely holds your work in place and prevents it from shifting.

Premium Rolling Trimmers

Features

- Cut lengths: 14", 20", 26", 36" and 51"
- Sheet capacity: Up to 30 sheets
- Blade type: Rotary
- Easily trims standard size mat board
- Self sharpening blade cuts in both directions
- Automatic clamp holds work securely
- Sturdy metal base with preprinted guides
- Imprinted protractor for angled cuts
- Floor stands available for larger sizes

Rolling Trimmers are the new generation of paper cutters. Designed for safety and accuracy, the cutting blades are encased in a plastic housing that virtually eliminates the chance of personal injury. The rotary action of these trimmers allow the blade to cut in either direction and sharpen itself as it cuts. Designed for heavy duty applications where precision is essential.

Features

- Cut length: 14", 20" 28", 37" and 51"
- Sheet capacity: Up to 20 sheets
- Blade type: Rotary
- Blade encased in a protective housing
- Self sharpening blade cuts in both directions
- Automatic clamp holds works securely
- Sturdy metal base with preprinted guides
- Imprinted protractor for angled cuts
- Floor stands available on large sizes

Rolling Trimmers are the new generation of paper cutters. Designed for safety and accuracy, the cutting blades are encased in a plastic housing that virtually eliminates the chance of personal injury. Designed for heavy duty applications where precision is essential. Perfect for cutting paper, trimming photographs, and large format printing.

Professional Rolling Trimmers

Personal Rolling Trimmers

Features

- Cut length: 9 1/2", 12 1/2" and 18"
- Sheet capacity: Up to 7 sheets
- Blade type: Rotary
- Blade encased in a protective housing
- Self sharpening blade cuts in both directions
- Automatic clamp holds work securely
- Sturdy metal base with preprinted guides
- Imprinted protractor for angles cuts

These Personal Trimmers are lightweight and portable so they can be conveniently taken anywhere. This trimmer is perfect for cutting paper, card stock and photo paper. The Personal Rolling Trimmers are available in 9", 12 1/2" and 18" cutting lengths and are a popular choice among photographers, craft enthusiasts and office professionals.
