

System Three Pro Hot Knife VeloBinder

Features

- Built-in debind function to allow sheet revision
- Binds documents up to 3" thick or 750 sheets
- Binds documents up to 14" in length
- Adjustable paper alignment guide
- Extra-large drawer for paper chips and pin debris

The System Three Pro is a heavy-duty system that easily punches and binds large VeloBind® jobs. The timer beeps to indicate when binding is complete and is adjustable for faster turnaround on smaller presentations. Punch more efficiently with your choice of push-button, punch-sensor or foot-pedal control.

Features

- Electric push-button operation
- Automatic reverse
- Binds documents up to 2" thick or 500 sheets
- Extra-large drawer for paper chips and pin debris

The System Two VeloBind® Electric Punch / Finisher is for moderate-volume VeloBind® jobs, this electric punch and bind system combines power with space efficiency. VeloBind® binding systems add a smooth, book-like finish to presentations, locking pages permanently in place; perfect for mailing, filing or stacking.

System Two Hot Knife VeloBinder

System One Hot Knife VeloBinder

Features

- VeloBind® Manual Punch / Electric Finisher
- Manual punch handle is convenient for right or left-handed use
- Binds documents up to 1" thick or 250 sheets
- Binds documents up to 14" in length
- Extra-large drawer for paper chips and pin debris

The System One Manual Punch / Electric Finisher creates a professional, book-like finished document, great for filing, stacking and mailing. And, with Hot Knife binding technology, spines permanently lock pages into place to keep reports and proposals secure. These spines come in a variety of sizes and colors.
