**50% FASTER
FILM LOADING**

LAMINATING FILM

Our laminating film provides superior protection for school projects and documents at an economical price.

The perfect blend of quality and value. Our film produces an excellent clear protective finish.

**New England's largest inventory of laminating film.
Highest Quality, Lowest Prices**

GBC FOTON 30 Fully Automatic Desktop Laminator

Fully automated desktop laminator that feeds, laminates and trims with the touch of a button.

Education Price
\$1,054.00

Hands-Free Lamination

- Integrated 30 page feeder ensures your documents are straight when entering the laminator.
- Load and Go operation! Foton starts automatically after quick warm-up.
- Three operation modes produce perfect quality lamination for most types of documents.

Easy Supply Loading

- Easy to load self-threading cartridge makes changing film simple.
- Pouch-Less Lamination! Never load a pouch again.

GBC Ultima 35EZ 12" Desktop Roll Laminator

Education Price
\$825.00

Perfect for day cares, churches, and small offices. The Ultima 35EZ delivers high-quality results every time. EZ Load roll film ensures error-free film loading every time.

The innovative design greatly reduces film loading time and prevents the user from loading the film upside down, thus eliminating costly service calls.

- Less than 1 minute warm up time
- No waste for small items

LAMINATION ACCESSORIES

Laminating Workstation

Simple, functional and economical laminator stand on casters.

\$249.00

We Service What We Sell!

Benefits of an Equipment Maintenance Agreement...

- **Unlimited Service Calls**—We service your equipment correctly the 1st time. If we don't, it costs us, not you.
- **Defy inflation**—One reasonable payment covers you for a year. Your budget is fixed no matter how parts, labor or gas prices may climb.
- **Decrease Downtime**—Our service professionals employ factory approved tools and techniques. We come to your school and do the work on-site.
- **Parts Are On Us**—Replacing just one key component could easily cost more than the entire agreement. With our Equipment Maintenance Agreement there is no charge.
- **New Operator Training**—Proper training is essential to increase quality and productivity, and to reduce waste.
- **Labor and Travel Time Are On Us**—No matter how far we travel or how much work we put in, you are covered.
