

Revo T14

Full-Auto Encapsulation Laminator

Now there's a fully automatic laminator for business professionals and copy/print shops to meet high productivity demands. The Revo-T14 with automatic feeding, laminating and cutting offers high speed and convenience with one touch of the start button. With the roll film process and simple operation, the Revo-T14 laminator saves labor costs, time and increases productivity.

High capacity auto-feed eliminates need to insert one at a time.

Automatic paper feed, laminate and cut in one process. The auto-feed tray holds up to 300 sheets*

*Based on 20lb. Text weight paper.

Film change is easy—with top loading system.

Simple access from the top for quick and easy film roll changes and roller cleaning.

Easy to operate digital panel

Set *start* and *stop* and *number of sheets* easily and quickly on the digital LCD operation panel.
